A central illustration of a brain composed of large, stylized, colorful letters spelling out 'ମେହୁର' (Meher). The letters are purple, pink, blue, green, and orange. The brain is set against a white background with various mathematical symbols and school-related items floating around it: a red percent sign at the top left, a green plus sign, a yellow minus sign, a blue multiplication sign, a red division sign, a green eraser, a white pencil, a white ruler, a white protractor, and a white calculator at the bottom right. The background features a pink and white splattered paint effect.

A black and white line drawing featuring a rabbit's head and body on the left, facing right, and a large, detailed carrot on the right. The rabbit has long ears, a small tuft of hair on its back, and a simple face with two dots for eyes and a curved line for a mouth. The carrot is elongated with a textured surface and a small root end.
